LETTER FROM: PAUL THOMAS (MD of P.A.S.S.)
TO: KATHLEEN MARSHALL (Scottish Childrens Commissioner)
(Original Dated: 14/12/05)

14th December 2005.

Dear Ms Marshall,

**Mr William Boyd, 1 Mansegate Cottage, Dunscore, DG2 0TD,
and his daughter Aela.**

Mr Boyd, who is a client of this organisation, has asked me to forward the enclosed papers relating to his very frustrating experience of attempting to re-establish contact with his daughter Aela, whom he has been prevented from seeing, speaking to or communicating with for over 18 months.

I have supported his various complaints to the Highland Council and the Public Services Ombudsman over the past three years, and can support his sentiment that there appears to have a singular lack of co-ordinated enquiry into his case and complaints.

Mr Boyd feels that his daughter's rights to access her father have been abused, and appeals for your support in his case.

If you feel you need further information, please do not hesitate to contact me for a fuller picture of the issues concerned. I hold substantial files going back over three years, and feel there are some very alarming issues which have not been properly addressed to this day.

Yours truly,

Paul M Thomas
Manager & Company Secretary.
