Dear Amnesty,

I write to you now with a most earnest appeal for help concerning the illegal abduction of my daughter Aela Anne Rose Boyd. She has now suffered for over three years due to deep rooted corruption and nepotism within the Scottish Authorities. The abuses of both Human and children's rights in this case is indeed shocking. I hope the information I enclose provides some picture as every attempt to have these issues addressed in Scotland is met with a cover up due to the involvement of corrupt social workers, police and a Sheriff. It is now over 1 1/2 yrs since Aela (5YRS) has been allowed contact with anyone familiar to her prior to her abduction. Please do not hesitate to contact me. I am now a director of the above charity. Please Help.

W Boyd (FATHER)
